

Longmont Community Memorial Project

Thank you for joining our Longmont Community Memorial Project. We recognize that the pandemic has impacted people's ability to memorialize lost loved ones in many ways. Also, the pandemic has disproportionately affected older adults in our community. Senior Services' hope is that this project creates ways for the community to join together in socially-distant public space to honor all those who have died during this time, be it to COVID-19 or from any cause, regardless of age.

Submissions may include photographs, poetry, art, and/or other writings. Submissions will not be returned, so please keep your originals and only submit copies.

Please INITIAL each line below where you approve your submission possibly being published (there is no guarantee that all submissions will be published/exhibited where requested):

- _____ Día de los Muertos exhibit at the Longmont Museum – *Submit by September 23, 2020*
- _____ Senior Center lobby memorial (if your submission involves an older adult)
- _____ Senior Services memorial name listing in a future GO catalog (if your submission involves an older adult)
- _____ Senior Services email (if your submission involves an older adult)
- _____ City of Longmont Facebook page
- _____ Children, Youth, & Families Facebook page (if your submission involves a youth age 11-17)

In signing, you indicate your understanding your submission may be included in the digital or physical spaces you have indicated above and that your submission will not be returned to you:

Signature

Date

Printed name and contact information, should we have questions about your submission

Please return this signed form and your submission to the box located in the front entry of the Senior Center at 910 Longs Peak Ave, Monday-Friday, 9am – 3pm. Forms are also available at the box. Submissions may be sent digitally to Brandy Queen at brandy.queen@longmontcolorado.gov and must include a signed copy of this form.
